EXPERIENCE

College of Arts, Media, and Design @ Northeastern

Boston, MA

GRAPHIC DESIGNER

01.26 to Present

DESIGN CO-OP

07.25 to 12.25

- Design over 120 visual assets across 20 projects, including 85 social media posts, 25 posters, and 20 printed materials.
- Capture and edit over 350 event photos and facilitate two rounds of professional headshots for faculty and staff.
- Collaborate closely with supervisors and clients to iterate on design concepts, integrating feedback to refine and finalize assets.
- Deliver all work on fast timelines, efficiently managing multiple projects and meeting tight deadlines.
- Prepare print samples by printing, cropping, and formatting materials for review and final production.

The Huntington News

Boston, MA

DESIGN EDITOR

12.24 to Present

- Expand team size from 1 to 10 by designing promotional posters, organizing engaging activities, hosting events, and fostering a strong sense of community.
- Lead and train design team to create over 60 cohesive, high-quality pages and graphics aligned with editorial standards.
- Redesign system for print and digital materials, enhancing consistency, efficiency, and visual appeal by creating an asset library and 10+ templates.
- Design and format over 20 newspaper articles, transforming written content into visually engaging layouts.
- Collaborate with writers, photographers, and section leads to determine page content and newspaper layout.

Scout

Boston, MA

SENIOR DESIGNER

9.25 to Present

- Collaborate with cross-functional teammates to translate research and community needs into clear, accessible design solutions for Knox Clinic, a rural health clinic serving populations with limited access to care.
- Design print and digital materials that support outreach, trust-building, and health equity goals.
- Iterate quickly based on team and client feedback to refine and finalize assets.

JUNIOR DESIGNER

1.24 to 4.24

- Collaborated with team to rebrand the Associates of the Boston Public Library, focusing on their website, logo, and print materials to reflect their mission of preserving books and artifacts.

Center for Design at Northeastern

Boston, MA

RESEARCH ASSISTANT

10.24 to 04.25

- Directed creation of brand identity, including over 100 name, logo, typography, and color variations for website and social media.
- Created and tested wireframes, emphasizing user experience for navigating data visualizations and search functions.
- Lead research efforts to identify and analyze existing data repositories, using findings to inform the UI/UX design and structure of the project's website.
- Reviewed over 120 research papers sourced through web scraping to ensure they contained relevant information for the project.
